

Welcome to Denison for the Fall 2021 semester!

Student Accounts wants to share some important information pertaining to the Fall semester.
Please note that some items will require action by students.

YOUR ACCOUNT

Action Required

If you wish others to view your account, make a payment or set up a payment plan, you must Grant Access to your "Statement and Payment History" through your MyDenison login ([see how to grant access to a parent/other guest](#)).

Students and proxies will receive an email from Student Accounts on the first working day of each month. The email will contain currently relevant information.

Please refer to each month's email for the Due Date (usually three weeks later). Fall bills will be available July 12 (due July 30). Spring bills will be available December 1 (due December 22).

A 1% late fee will be assessed on any balance not paid by the due date each month. This includes amounts left unpaid because financial aid (e.g., scholarships, loans, and grants), monthly payment plan amounts, etc., are not received by the due date. Students may not officially confirm their class registration for the semester unless all financial obligations are satisfied.

Log in to view your account (Student Self-Service or Parent Proxy login required):

- Students: [MyDenison \(Student Tab - My Statement\)](#) Select View Account or Pay Your Bill
- Parents/Others: [Parent Proxy Login](#) Select Statement and Payment History then Proxies: View Account or Pay Your Bill

MEAL PLANS

Action Required

If you wish to change your meal plan, follow the instructions provided in the email sent from Residential Communities and Housing. Emails were sent to the student's Denison email address. Allow a few days for your Account to be updated.

Students living in campus housing are required to be on a traditional meal plan, unless they live in an apartment or the Homestead. Students are enrolled in the meal plan they chose during the housing selection registration. Students not enrolled at Denison during the prior semester are placed on THE HILL.

Students required to be on a meal plan may select one of the five traditional meal plans:

BIG RED
THE HILL
OLMSTED
WEST LOOP
WEST COLLEGE

Students living in meal-optional housing (apartments and Homestead) may still opt to be on a meal plan. In addition to the five traditional plans, they may choose from these two Apartment Alternative Plans:

1831
THE RESERVE

Seniors graduating Fall 2021 or Spring 2022 who are **not** living in an apartment or the Homestead are required to be on a meal plan. However, they may select from any of the seven meal plans offered.

How do I change my meal plan?

Students may make changes to their meal plan choice through the first two weeks of the semester using an online process. Changes may be made online up to four times during those two weeks. Please note, changes made on or after registration day will have financial implications. Students are charged an appropriate daily amount for each plan, and these vary.

For questions about the online process contact [Residential Communities and Housing](#).

Action Required

If someone is paying on behalf of the student, the student must first set them up as a Proxy and authorize them to see the student's Statement and Payment History.
